STUDIO DEEP DIVE

RENTAL HANDBOOK

Your turnkey, pre-lit, soundproofed, video and broadcast studio. Film in comfort. Enjoy a stress-free production day and embrace the motto: "It's a great day to film!"

Your SFGS Sound Stage

Our versatile studio accommodates full-body shots to interview panels (we've had as many as 7 people!) . Ceiling-mounted lights provide a clean, professional setup. Our master control room keeps crew and equipment separate, optimizing the filming space.

Flexibility & Viewing

Our cyclorama is chroma green but may be painted any color for your production. All can be viewed in real time and keyed from our master control room.

Our cutting-edge control room manages our green screen studio (plus virtual events!)
